

**Is pleased to offer you our Reserved Parking Program for the 2010/11 Opera Season**

Each of your parking coupons will allow you to park in a single space of the Reserved Parking Section in the **Mercer Street Garage** for each of the performances in the subscription series indicated below. (Coupons will be valid for any dates you may have exchanged, but not for multiple performance dates of a single opera.) Participants in the Reserved Parking program can use the exclusive entrance on **Roy Street that opens one hour prior to curtain**; allowing quick and easy access to the garage without the long line. Participants who arrive prior to the opening of the Roy Street entrance can still access the Reserved Parking Section via the garage’s primary entrance on Third Avenue, which will be open and staffed with an attendant at least four hours prior to curtain.
