

## **Opera Aria Lyric Worksheet**

| My name is   |                           | , I'm a                  | •                  |
|--------------|---------------------------|--------------------------|--------------------|
| , -          | (character name)          | (tell us who,            | /what you are)     |
| I'm always _ | (character trait)         | (character trait)        | _, and             |
| (character   | trait)                    |                          |                    |
| And I am ki  | nown throughout           | the land,                |                    |
| for          | at your character likes t | <u> </u>                 |                    |
| (tell us who | at your character likes t | ro do)                   |                    |
| But what I   | really want to do         | o is                     |                    |
|              | ·                         | (your charad             | cter's goal)       |
| Then every   | one would be              |                          | <u> </u>           |
|              | (how wou                  | ld people feel if you ad | chieved your goal) |
|              |                           |                          |                    |
| And I would  | be                        |                          | <u>.</u>           |
|              | (how would you feel if    | you achieved your goo    | l)                 |
